A warm welcome to our fourth and final Newsletter for 2018!

The weather is getting colder and the days are getting shorter, but at New Directions Cavan we have been brightening up the days by getting in the Festive Spirit.

Recent Events and Activities

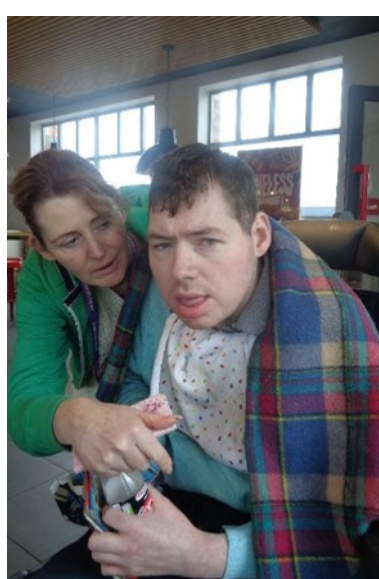

In October we visited the garden centre. We loved looking at all the different flowers, touching them to feel the different textures and smelling them to discover their lovely scents. We also visited the shops to view the Halloween items.

We got an opportunity to show off our baking skills. We made rice crispy buns and everyone enjoyed eating them as well as tidying up after all our hard work.

We love going to McDonalds or KFC for an occasional treat, as you can see from our smiling faces.

In November we went to see Santa at Causey Farm. We thought we would get a picture with some friendly Snowmen, they were more than happy to oblige.

Some of us decided to check out the elves beds for ourselves. They were very comfy, but maybe not quite our size!

We finally made it to Santa's Grotto. We were a little nervous at first, but Santa soon made us all feel at ease. Santa gave us all a lovely Christmas present and we had a photo taken to remember our special day.

In December we enjoyed a lovely Christmas lunch at the Hotel Kilmore.
