We are Inspire.

This is an easy read version of our Mission, Vision and Values statement.

Our vision is to see wellbeing for all.

Our mission is to help the people we support to make sure they can live with dignity and achieve their full potential.

We want to develop a culture of kindness and have a society that is free from stigma and focuses on people and their abilities.

Our Values

We put the people who use our services first.

We are determined.

We are kind. We care about each other.

We are honest.

We are always thinking about how we can do things better.

We make sure everyone is involved.

Our Aims

We will make sure people who use our services are at the centre of everything we do.

We will help people to achieve what they want in life as far as possible.

We will make sure our services are provided in ways that help people where and when they need it most.

We will look after our staff and volunteers and treat them with respect.

We will help people who use our services to have their voices heard

We will follow all the rules we need to and use everything we have to keep our services running well.
